April 2026

Dear Parents/Carers,

During the summer term, year 1 will be learning about the senses in their science lessons. To support this, they will be given the opportunity to taste and smell different food items to discuss their likes and dislikes and the differences between them. To ensure the safety of the children, please could you let the class teacher know BEFORE Friday 24th April if your child has an allergy that could be affected by any of the following items and we can arrange suitable alternatives. Any preferences can be discussed during the lessons with the children.

Taste sessions will start w/c 4th May and smell will be w/c 18th May.

Taste (small pieces)

Bitter - marmite

Salty - ready salted crisps or pretzels (not soft)

Yours sincerely

Mrs Lloyd, Mrs Bennett, Miss Colclough and Mrs McGuinness.
