COMPUTING CLUB SUMMER 2

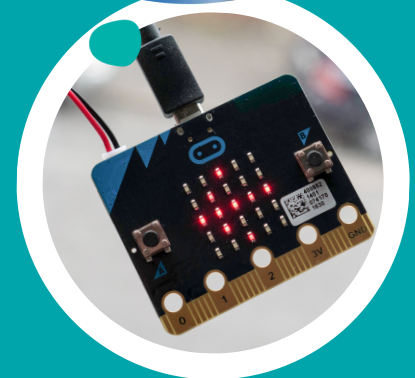

Berkeley Academy

Year 3 - 6

From 11th June - 9th July 2026

Thursdays from 3.20 pm - 4.20pm

£8 per session

This term, children will learn coding and physical computing using the micro:bit. They will write simple programs to control lights, sounds and sensors on the device, helping them understand how hardware and software work together. Through hands-on projects, children will develop problem-solving, creativity and confidence with technology.

Please scan the QR Code to book and do contact us if you have any questions.
