Dear Parents and Carers,

Year 5 - Free Pizza Making Workshop with Aspens

We are delighted to offer children in year 5 the opportunity to take part in a free Pizza Making Workshop led by our catering provider, Aspens.

The workshop will take place on Tuesday 1st December during school time.

During the session, children will learn about food preparation and have the opportunity to create their own delicious pizza. They will be provided with a pizza base and will be able to choose and add their own toppings before their pizza is cooked.

This fun, hands-on activity is a fantastic opportunity for children to develop their confidence in the kitchen, learn about healthy ingredients and enjoy making their own food.

There is **no cost** for this activity, and we are very grateful to Aspens for providing this exciting experience for our pupils.

If your child has any food allergies or dietary requirements that we should be aware of, please ensure that the information held by the school is up to date.

We do require your consent for your child to take part in the pizza making workshop, which can be provided via the School Gateway App or online at www.schoolgateway.com by **FRIDAY 20TH NOVEMBER 2026. Please ensure you add a comment to advise that you give consent for your child to take part in the workshop.**

If you do not wish for your child to take part in the workshop, please email admin@berkeley.cheshire.sch.uk to advise.

We look forward to a fun-filled session of pizza making!

Yours sincerely,

S. L. Gohr.
