Aims and Objectives

We aim to:

- Provide a happy, safe, and warm environment where all children and their families feel welcome.
- Create a child-centred setting where the children and young people are encouraged to make decisions.
- Value children's free time to be *their* time, allowing fun and freely chosen play.
- Facilitate the children to plan play and access play opportunities.
- Support the children in developing responsibility for themselves and their actions.
- Value individuality.
- Provide inclusive play opportunities.
- Work in partnership with parents and carers.
- Evaluate and reflect on our work to ensure that the needs of all children and parents and carers are met.

The Important Bits

- It is the parent/carer's responsibility to inform the Out of School Club Manager if their child is not attending a booked session.
- If your child is attending an extra-curricular activity at school on a day they are booked into Out of School Club, please inform the Out of School Club Manager so we are aware who we need to collect at a later time.
- Special dietary needs can be catered for, please provide detailed information where required
- Please note, we serve a *light* tea, it is not intended to be a meal replacement.
- Fresh fruit is provided as a part of all snacks and at the end of each meal.
- If your child is to be collected from our care by someone other than his or her parent or carer, please inform the Out of School Club Manager, and ensure the other person is aware of the password.
- Please contact the Out of School Club Manager for all enquiries related to session availability.
- All the relevant information concerning payment of fees and other charges, together with details about notice periods required when cancelling sessions can be found within the Terms and Conditions.
- Terms and Conditions **must be** read, signed & returned, please retain a copy for your records.
- If in the event nobody arrives to collect your child, the manager or coordinator on duty will assume responsibility for him/her and endeavour to contact you or other named emergency contacts. If after one hour attempts to make contact are unsuccessful, the setting has a duty to contact The Children's Access Team or the police.

How to find us?

We are based next to the parent car park. You will find our door at the top of the steps leading up from Laidon Avenue.
Please use the 'Ring' Door bell and wait for a member of staff to come to you!
