CHILDREN
IN NEED

Dear Squad Support (AKA families)

Music has a profoundly positive effect on children's mental health and wellbeing and can go a long way to making life feel that little bit lighter - a mission that deeply resonates with this year's BBC Children in Need theme, 'Make Life Lighter'.

To support this incredible cause, Music Squad will be donating 100% of the profits from all lessons for the rest of the year, for any child who signs up this week. And to support you, we will also give your child their own Squad Star Beginner Bundle books for free too (worth £14.99). Join us in making a difference to your child and so many others across the UK this Children in Need Day, Friday, 15th November.

Here's what you need to know:

- Music Squad provides highly personalised, individual weekly piano lessons and small group after-school keyboard clubs, right in your school! Scan the QR code to find out what format we offer in your school.
- With Music Squad's exclusive Squad Star programme, all our Squaddies learn to read music properly. Without any of the stuffy.
- We prioritise communication and share weekly pictures and videos from the lessons so you'll always know exactly how your child is getting on.
- Brilliant and passionate musicians deliver all of our lessons and can support your child through recognised exams and regular performances (but no pressure).
- Signing up is hassle-free with our easy online registration and flexible monthly payments that you can cancel at any time (no commitment required).

To secure your spot and make a difference to so many children, scan the QR code or visit www.musicsquad.co.uk and click 'Register Now'. Make sure you register before 15th November.
