Monday 25th November 2024

Dear parents/carers,

On Tuesday the 26th November and Wednesday 27th November classes 7 and 8 will be making seasonal vegetable tarts in their Design and Technology lessons.

Although the children will not be eating their tarts in school, we wanted to make you aware of the ingredients used: puff pastry, passata, cheese and their choice of vegetable topping (spring onion, red/green peppers, mushrooms, sweetcorn or broccoli)

We are aware that some children in Year 3 have allergies/intolerances and will therefore adjust the recipe to suit them. Alternatively, they wish to may make their tart for a family member.

The children will bring home their tarts at the end of the day to eat/share at home.

If your child has any allergies/intolerances that you feel we may not be aware of Tuesday 26th November (class 7) and Wednesday 27th November (class 8).

Many thanks

Mrs Bateman and Mr Nixon
