Date: February 2024

Dear Parents and Carers

My name is Loren Whiteside and I am a SEND Transition Adviser. I work for Cheshire East SEND team and we are starting a project with your child's school looking at the transition process from primary to secondary school.

I will be going into your child's school over the coming months and starting conversations with the year 5 and year 6 pupils about their thoughts and feelings around starting secondary school.

We are keen to capture the voice of the child on what is working well and what needs improving especially for children that might find the transition to secondary school difficult.

You do not need to do anything but if you have any questions about the project or would like to share with us your own thoughts, wishes and feelings regarding transition please do not hesitate to get in touch.

We would really appreciate hearing your thoughts regarding transition and have put a quick survey together. Please follow the link or QR code below to give your feedback.
