

Reception Homework Grid Summer 1 – Growing

We would like you to choose at least 1 activity each week. Please share them with us on Tapestry. As well as these activities, we would like you to read at least 3 times each week and keep practising those tricky words!

<p style="text-align: center;"><i>Technology hunt</i></p> <p><i>How many things can you find around your house that you can use to communicate with other people?</i></p>	<p style="text-align: center;"><i>Garden Creatures</i></p> <p><i>Either in your garden, or in a woodland area – how many creatures can you find? Do you know what they are called? Can you draw a picture of them?</i></p>	<p style="text-align: center;"><i>Quiet listening</i></p> <p><i>Find a space outside and listen really carefully to all of the different sounds. Can you write a list of sounds you can hear?</i></p>	<p style="text-align: center;"><i>Sound detective</i></p> <p><i>Using your school reading books or books from home, how many words can you find with the following sounds:</i></p> <p style="text-align: center;"><i>ch, sh, th, igh, ar, oo, ai, ee?</i></p>												
<p style="text-align: center;"><i>Story writing</i></p> <p><i>Have a go at writing a story. It might only be a few sentences long, but the really important bit is being able to read your story to someone else.</i></p>	<p style="text-align: center;"><i>Planting</i></p> <p><i>Can you plant a seed and make it grow? It might be useful to take a photo each week and describe what has happened to your seed.</i></p> <p><i>Or you could write/record a set of instructions for how to plant a seed, including a list of things that you will need.</i></p>	<p style="text-align: center;"><i>Memory games</i></p> <p><i>Have a go at some memory games. It could be matching pairs, placing items on a tray and taking some away to see if you notice what has gone, my grandmother went to market and bought... where you keep adding to the list each time.</i></p>	<p style="text-align: center;"><i>Place value</i></p> <p><i>Using coins, counters or lego bricks, make the numbers 11-20 by putting them into 10s and ones. How many tens are there in 13? How many ones? It might help to colour code them, or to use 2 10s frames</i></p> <div style="text-align: center;"> <table border="1" style="display: inline-table; margin: 10px;"> <tbody> <tr> <td style="width: 20px; height: 20px;"></td> <td style="width: 20px; height: 20px;"></td> <td style="width: 20px; height: 20px;"></td> <td style="width: 20px; height: 20px;"></td> <td style="width: 20px; height: 20px;"></td> <td style="width: 20px; height: 20px;"></td> </tr> <tr> <td style="width: 20px; height: 20px;"></td> <td style="width: 20px; height: 20px;"></td> <td style="width: 20px; height: 20px;"></td> <td style="width: 20px; height: 20px;"></td> <td style="width: 20px; height: 20px;"></td> <td style="width: 20px; height: 20px;"></td> </tr> </tbody> </table> </div>												
<p style="text-align: center;"><i>New words</i></p> <p><i>Do you know what these words from our story mean?</i></p> <p><i>Can you say them in a sentence?</i></p> <p><i>Can you write them in a sentence?</i></p> <p style="text-align: center;"><i>Ordinary</i></p> <p style="text-align: center;"><i>Roamed</i></p> <p style="text-align: center;"><i>Soared</i></p> <p style="text-align: center;"><i>Planted</i></p> <p style="text-align: center;"><i>Tools</i></p> <p style="text-align: center;"><i>Imagining</i></p>	<p style="text-align: center;"><i>Painting</i></p> <p><i>Can you paint a flower. It would really help to have a flower to look at and try to include all the different parts in the right colours. Maybe you could paint more than one different type of flower.</i></p>	<p style="text-align: center;"><i>Number bond tennis</i></p> <p><i>Practise your number bonds to 5 and 10 by playing ‘tennis’.</i></p> <p><i>One player bats a number and the other person bats back the correct number bond e.g. 4 and 1, 5 and 0</i></p> <p><i>You could just pretend to be batting a ball back and for the, or you could try it with a real bat and ball!</i></p>	<p style="text-align: center;"><i>Nature walk</i></p> <p><i>How many different types of plants and trees can you find?</i></p> <p><i>You could use an app like iNaturalist to find out their names.</i></p>
