Dear parents and carers of our Multigenerational team,

Our team have now completed 4 activities so far this year with the residents of the Belong Care Village and are looking forward to a variety of activities during the summer term.

We have 2 more visits planned there and then we are hoping to host some of the residents at The Berkeley for a couple of our summer school activities like sports day, more details to follow!

Our last 2 visits in May and June, will be slightly different as we are going to take half the group each visit. (We will be engaging in board games like snakes and ladders, draughts and dominoes!)

I propose to take the children from **classes 10 and 11 on May 12th** and children from **classes 7,8 and 9 on June 23rd**.

If any parents or carers can walk with us on either of those days please can you let the office know ASAP. (I particularly need a parent to walk there and back on **May 12th**)

We would very much like to continue with this project next year and would welcome any feedback you are able to give about any impact this has had on your child and any other comments you wish to make.

Many thanks for your support.

Kind regards,

Mrs Helen Sehné
