Head Teacher: Louise Gohr

January 2025

Dear parent/carer,

NURSERY N1 PROGRESS CHECK

We are going to be working together to create your child's progress check at age two. This check is a requirement in the early years foundation stage and takes place between your child's second and third birthday.

This is not the same as the check that health visitors carry out. Sometimes both checks are carried out together. If they are done separately, please share the health check (the red book) with us. This helps to create a rounded picture of your child's health and development.

Early development isn't pre-programmed: what parents and early years practitioners do make a difference.

I feel it will be beneficial if we arrange a meeting with you, to complete this check and would like to invite you to book an appointment on **Tuesday 11th February 2025** during the school day. To see available appointments, please go to: <https://theberkeley.schoolcloud.co.uk/> Please note, these checks only need to be completed once, therefore, if we have already completed this with you previously, you will not need to book an appointment. If, however, you have any concerns or there is anything else that you would like to discuss, please email admin@berkeley.cheshire.sch.uk and we will arrange for a member of the nursery team to contact you.

Having a strong and respectful partnership is important and is something we're passionate about at the Berkeley Nursery, it sets the scene for your child to thrive in the Early Years. The check is carried out with you, not just for you, as you know your child best.

The partnership includes listening to your views and giving you clear information about your child's progress.

The completed check will be shared with you. It will include your views and it will set out how we will work together to help your child's continuing development.

If your child is having any difficulties with their development, or has a special educational need or disability, it will set out the additional help your child will receive.
