The school gates will be opened at 8.30am. Children must be supervised by parents until teaching staff welcome children at classroom doors at the allocated opening time. If you have children in different year groups starting at different times, please do not worry about this, the class teacher will not dismiss children until they are collected unless they have permission to walk home.

On **Tuesday 24th June and Wednesday 25th June**, we will be having transition days where all children will spend the day with their new class teacher.

On these days, children should arrive at school at their normal time and go to their current class for registration, children will then move to their new classes for the day but will go back to their usual class for the end of the day, therefore, drop off and collection will remain the same.

Thank you for your continued support.

Kind regards,

S. L. Gohr.
