Dear parents/carers,

As time moves on we get closer and closer to saying goodbye for the summer, but for some children they will be moving on to reception and leaving nursery. As such, we wanted to make the last week special and have some exciting activities planned for each day of the final week.

Monday 14th July – ‘Berkeley Beach Day’ – Think ice lollies, water fun and beach balls. Please could you ensure your child has a labelled change of clothes in case they get wet games.

Tuesday 15th July – ‘Animal Ball – children are invited to come to nursery dressed as their favourite animal (optional) or non-uniform for a day of dancing and party

Wednesday 16th July – ‘The very hungry caterpillar picnic’ – we will be having our very own picnic trying all the food from the story. Please ensure that you inform us if your child has any allergies that we have not already been made aware of.

Thursday 17th July – ‘Safari Adventure Day’ – We will be going on a safari through the jungle to find our favourite animals. Binoculars at the ready!

Friday 18th July – ‘Cinema day’ – We will be watching the film Madagascar to fit with our animal theme.

Unfortunately, due to staffing ratios and health and safety, we are not able to accommodate any child on any extra sessions during this week, however, we have planned something exciting for every day so that all children will be able to take part in something special to celebrate their year in nursery.

We would like to thank all our nursery parents/carers for their support this year and wish all our children that are moving up to reception all our very best wishes and good luck. You will all be superstars!

To all our children that will be staying with us, we look forward to seeing you in September!
