Thursday 27<sup>th</sup> February 2025

Dear parents and carers,

We have the opportunity to host a Mini First Aid run, 'Baby and Child First Aid' class at the Berkeley.

It is an awareness class that is CPD accredited. The session is perfect for parents to be, parents, grandparents and anyone looking after babies and children. Pre-crawling babies are welcome to join their parents so that you don't need to worry about childcare.

The session is a two-hour informal first aid class designed to provide adults with the confidence to give first aid to babies and children up to 18. It covers 'being prepared', DRABC (Danger, Response, Airway, Breathing and Circulation), recovery position, CPR, choking, bleeds, bumps, burns, breaks, febrile seizures and meningitis/sepsis awareness.

The class would be available at £19 per person but we would like to see how many parents/carers/grandparents might be interested.

If you would be interested, please click the link below to confirm by Friday 7<sup>th</sup> March 2025.
