Dear parents/carers,

As you have already been informed, Cheshire East terminated their catering contract in all their school with effect from December. We are pleased to inform you that we have successfully appointed Aspens as our new caterers starting after Christmas. Aspens are a leading provider in the education sector and we are confident that your child will receive a healthy, nutritious meal with more choices available each day at a lower price of £2.95 per meal.

From January you will need to pre-order your child's meals using our Meal Manager system, a parent/carer guide on how to use this system is attached.

We have also attached sample menus, as well as an Alternative Menu Form, this will need to be completed and returned to the school office if your child has any dietary, medical or lifestyle requirements affecting their diet. Even if you have already provided these details to school, it is important that you complete this additional form for our new catering company.

Further information is available on our school website under the school meals tab.

If you have any questions, please do not hesitate to contact us.

Kind regards,

S. L. Gohr.
