Year 6 Easter SATs revision support

Dear Parents/Guardians,

After the recent assessments we are pleased that the children are working so hard and are so enthusiastic about striving to do their best at all times. We are therefore writing to you to inform you of some of the activities we are providing for the Year 6 children in order to ensure that they are confident and comfortable with the assessments in May this year. When we return after the break, the children will have three weeks to ensure that they are comfortable with all the areas which may be covered in the tests.

So that the children are kept fresh, we are providing a set of short, manageable tasks for them to complete in small sections. Called 10-4-10, the tasks comprise 10-minute daily tasks for children to complete, each in Maths, Reading and SpaG. Everyday there are some Grammar, Punctuation and Spelling questions, along with a short reading extract and a maths arithmetic and reasoning task – all based on SATs style questions. In total, the children should be working for no more than 30 minutes per day over ten days.

The tasks can be found on the school website under the Year 6 class page, under the title of 'Easter Revision Pack.' We are providing a workbook for the children, along with a copy of the Reading extracts to make referring to the text easier. The tasks can be completed in any order each day and children have been given guidance on how to complete the work in their workbooks.

We hope that the tasks will be useful and manageable for your child and that they will enjoy challenging themselves when completing them. We would ask that the work is completed in readiness for the start of the new term, as we will be working through the tasks with the children on our return.

We would like to wish you all a very happy and peaceful Easter break.

Kind regards,

Mr Birchenough and Mr Wagg
