Dear parents/carers,

Positive Relationships and Behaviour on School Grounds

I fully appreciate that the subject of this letter may not feel like new communication to you, however, as we start the final term of this academic year, I would like to ask for your support. Your involvement in school, plays an essential role in contributing to a positive experience that our children and families experience when they come to The Berkeley.

I have been made aware of some instances of inappropriate behaviour on school grounds, including inappropriate language being used by parents/carers, disregard for staff instructions in terms of areas of the school which should not be accessed outside of the school day and unsafe conduct during busy times such as drop-off and pick-up. While we know that everyone wants the best for their child, it's important that we all work together to maintain a respectful and safe environment for all children, families, and staff.

We kindly ask all parents and carers to:

- Treat staff and other parents with courtesy and respect
- Follow all school guidelines and requests from staff as detailed in the parent handbook
- Avoid confrontational or inappropriate language or behaviour
- Ensure children are supervised appropriately at all times while on site
- Be mindful of safe access to and from the school grounds
- Only park in designated car parking spaces when on the school grounds

Within Chancery Trust, we ask that all visitors, parents, staff and pupils are treated with respect and dignity at all times. Inappropriate language, threats and violent, aggressive or abusive behaviour towards any member of our community will not be tolerated and anyone behaving in such a way will be asked to leave and their behaviour may be reported to the police.

We trust that everyone will play their part in supporting us in keeping a safe and respectful school environment for the whole school community.

Thank you for your co-operation and understanding in this matter.

Yours sincerely,

S. L. Gohr.
