Reporting illnesses

Dear parents/carers,

Re: Measles, Chicken Pox

As you are aware, we currently have a child in school who is receiving medical treatment and is at serious risk if they are exposed to Chicken Pox or Measles.

Therefore, we are asking for your cooperation in this vitally important matter. If your child is suspected of having either Chicken Pox or Measles please can let us know immediately.

We would like to reassure you that your child is not at risk whatsoever from this situation, however, the health and well-being of the child who is at risk, does depend on your co-operation and that of our whole school community.

Thank you in advance for your continued support.

Yours Sincerely

S. L. Gohr.
