

Berkeley Reading Newsletter

Dear Mrs Moffett,

We are delighted to inform you that your school has been awarded the UKLA/ OU Reading for Pleasure Quality Mark (Gold) Congratulations!

Your school provided evidence, through the framework and the impact case study, to indicate that you have developed and embedded an RfP culture with recognisable impact on staff knowledge and RfP pedagogy, parents' and children's recreational reading.

Frankly, you are at the vanguard of documenting reading for pleasure nationally, and we hope to run an event in 2025 exclusively for QM schools to celebrate your achievements and to support you on this onward journey.

Congratulations again. We attach your certificate which we hope you will display proudly in your entrance hall, as you know it lasts two years. For now, it is time to celebrate with staff and students!

With best wishes,

Debra Myhill *Teresa Cremin* *Roger McDonald*

This is a challenge that you can take part in by either signing up online or through Crewe Library. Children earn rewards for every book they read and receive a medal and certificate if they complete the challenge.

This year children will join the **Marvellous Makers** who are busy getting creative for a big festival...but the objects they need have mysteriously disappeared. Children will help the Marvellous Makers find the objects they need to complete their creations. For more information follow the link below.

See below for some of the books in the challenge.

THANK YOU

We have many other exciting reading activities planned for the Autumn Term including library visits, parents 'Stay and Read' days and also the Scholastic Book Fair. We would like to build in more opportunities for parents to get involved in the children's reading journey and would welcome any parents who can give some of their time on a regular basis to hear children read.

We'd like to thank you all for the support you've given the school and pupils in developing a strong reading culture and for continued book donations.

If you would like to volunteer to hear readers or if you would like to be involved in some other way with our reading journey, please speak to your class teacher.
