

ComputerXplorers

TECH CLUB!

The Berkeley Academy

From 13th Nov to 11th Dec 2025**

Thursdays from 3.20 pm - 4.20pm

£8 per Session

[Scan to Book](#)

At ComputerXplorers we deliver computing enrichment activities through fun, interactive and inspiring technology sessions for children. Our Tech Clubs provide insight into the world of Tech and basic computing skills.

We will be exploring different topics from Programming, digital storytelling, animation, coding, robotics, video game design etc.

Topics change each half term or term, keeping the sessions fresh, exciting, and tailored to inspire creativity, problem-solving, and a love for learning through technology.

****Please note: The club will be open to different year groups each Half - Term starting with Year 5&6 in Autumn 2****

We look forward to providing a fun and Educative Experience to the children.
