Dear parents/carers

We are delighted to let you know that we will be rolling out the Little Wandle Fluency Scheme with our Year 2 and Year 3 children this term. The programme is designed to help children develop their reading fluency, accuracy and confidence, building on the strong foundations laid in Reception and Year 1 through the Little Wandle main scheme.

As part of this approach, children will read their fluency books in school with their teacher. Once a book has been read and discussed in class, it will then be sent home for your child to share with you- just as they previously did in Reception and Year 1.

We ask that books are:

- Handled with care so they remain in good condition for other children to enjoy.
- Returned promptly once they have been read at home- class teachers will let you know days and deadlines when books will be given out and returned.

As part of our commitment to delivering the programme effectively, we have invested over £5000 in high-quality books and resources to support your child's reading both in school and at home. To ensure that we can continue offering these materials to all pupils, we kindly ask for your support in looking after books that are sent home and returning them in good condition. This helps us to keep the scheme running smoothly and ensures every child has access to the right book at the right time.

Thank you for your continued support in fostering a love of reading at home.

Kind regards,

Mrs Lloyd
