

Can you complete 3 activities today?

Our text this week is the Snow thief by Alice Hemming What can your child remember about our Autumn story 'The leaf thief'? What's the same/different in our new story? Is it still Autumn?

Create a snowman or snow scene using paper, cotton wool, or recycled materials.

Scrunch paper into balls and throw them into a basket or bucket. How many in the basket? How many out? How many altogether?

Talk about how snow makes them feel and how to stay safe in cold weather. Draw a picture of you all wrapped up for a winter walk.

Use warm water and paintbrushes in the snow to make marks

Bring in some snow. Watch it melt and talk about changes.
