## TAPESTRY – AN ONLINE LEARNING JOURNAL

At The Berkeley Academy Nursery and Early Years Foundation Stage we use an Online Learning Journal for your child. As children are constantly learning, we are asking that parents to add the learning that takes place at home and upload this to the Tapestry Online Learning Journal. We would like any WOW! moments to be added to their profile so this can be collated with the work from school to form an exciting and informative individual Learning Journal.

For this to be set up we will need your email address for each child/parent to access the Online Journal, once we have this, we can send you an activation link.

If you add an observation, you can add pictures or videos. When doing this, please can you add exactly what your child has said.

If anyone would like a member of staff to show you how to add an observation or have difficulties, please do not hesitate to contact your child's class teacher.

Please note, we will not always add a comment to the observations added at home, however, this does not mean that we have not read the observation or chatted to your child about their learning/experiences.

To enable us to be able to set this up for your child, please can we ask that you complete the permission slip attached and return this to us.

Thank you for your continuing support
